

HIGH PRESSURE PRO CART (30 LPM AT 500 BAR)

€22.450,00

Removes hard fouling, debris, corrosion and coatings
Drives multiple underwater tools
Heavy duty skid
Big cartridge filter at pump inlet

SKU: HDE30-550-30PRO
Categories: High Pressure Units
Tags: CW550, Electric, Offshore PRO

PRODUCT DESCRIPTION

The compact and powerful HDE30-500-30PRO electric high pressure power pack provides 30 LPM at 500 bar and is suitable for DiveWise Equipment cavitation gun and underwater tools. This powerpack has a stainless steel pump head for salt water usage and a frequency controller for efficient pressure adjustment. DiveWise Equipment has developed this series especially for the medium to hard high pressure cavitation problems.

Electric motor 30 Kw / 3-phase 400VAC 50 Hz (optional 440 VAC 60 Hz) / 63A 3-phase + 0 connection / 4 wheels with air tyres / Max. 1500 rpm / Strong, lightweight stainless steel frame with lifting eye / Max. pressure 30 LPM at 500 bar (7.9 gpm at 7,250 psi) / Frequency controller for working with higher pressure in lower speed ranges / CE certified / Direct driven pump / Suitable for cleaning with seawater due to the stainless steel pump head / Overheating thermostatic valve / Hour counter / Remote switch and motor cut-out with thermal relay / Emergency stop button / Big water filter at pump inlet, readily serviceable cartridge type / Pressure release valve for dry shutoff gun / Zero hose pressure regulator and emergeny-stop remote for SIR certification (optional) / Weight 300 kg) / Dimensions: 1200x750x900mm
