

## WATERHYDRAULIC UNDERWATER DRILL

## €4.550,00

Slim, lightweight and ergonomic design Powerful and maintenance friendly water motor No return hose or hydraulic oil required

SKU: DR200T1 Categories: <u>Underwater tools</u> Tags: <u>Drill</u>

## **PRODUCT DESCRIPTION**

Including:

- ToolHose 2m 1/4" (2x)
- Storage Case
- Maintenance Tool

Underwater drilling tool / Control lever with safety button / Swiveling hose inlet connection / Water hydraulic driven / Max. working pressure 40 LPM at 300 bar / Max. 15,000 rpm / Max. 6Kw / M14x2 connection and quickclamping drillhead / Weight 2000 gram (under water 1500 gram) / corrosion resistant materials /

## SPECIFICATIONS

| Brand                  | DiveWise Equipment                |
|------------------------|-----------------------------------|
| Power (kW)             | 6                                 |
| Power (HP)             | 8,2                               |
| Design pressure (bar)  | 300                               |
| Design pressure (psi)  | 4350                              |
| Flow (LPM)             | 40                                |
| Flow (GPM)             | 10,6                              |
| RPM                    | 15000                             |
| Drive                  | Water hydraulic driven            |
| Weight (kg)            | 2                                 |
| Weight (lbs)           | 4.4                               |
| Weight underwater (kg) | 1,5                               |
| Hose connection        | 2" camlock                        |
| Material               | Plastic, Stainless steel          |
| Application            | Underwater drilling and polishing |
| CE Certified           | Yes                               |
